ANGEL OF GOD CLUB >

Friday, Sept. 18th at 2:45pm is our first Angel of God meeting of the school year. As of today, we currently have 131 students who have pledged to do their best at school and at home. We will have 22 meetings this school year.

As parents/guardians, we ask that you help out on the home side by encouraging your "little angel" to follow the rules at home whenever they can. Please take time to put the blue rule sheet somewhere in your house so that you can refer to the particular rule that you might need at the time. We will be doing the same here at school so your child will be hearing the same thing on both sides.

Thank you for allowing your child to join the club and for your encouragement. We will have a good time at our Friday meetings as we celebrate the love of Jesus in our lives. If you would like to help out during the year, we can always use wrapped candy and prizes for our drawings. Thank you for entrusting your child to all of us here at STM. Parents/guardians and teachers are a wonderful combination when we all "work together." Any questions, please feel free to call me. Barb Godek
