Principal: Mr. Gary Dean Davis

Dear Parents and Students,

We are pleased to be your partner in education. The administration and staff accept the responsibility you have entrusted in us and will strive to provide a top quality education for students that will help them become contributing members of the Catholic Church and responsible citizens of the community.

As educators, parents, and students we share the responsibility of providing a Christ-centered atmosphere, which encourages love of God and neighbor, academic excellence, discipleship, and a positive learning environment. The teachings and examples of Jesus Christ provide us the basis needed to attain this goal.

Please read this handbook carefully so you are familiar with the policies and practices of St. Thomas More Catholic School and send your signed "Handbook Agreement Form" to the School Office. Of particular note there are updates / clarifications to our morning / afternoon drop off and pick up procedures. Your support and cooperation are important for the success of the school year. May God continue to bless and guide St. Thomas More School.

In service to youth,
Mr. Gary Dean Davis
Principal

Section I---Philosophy

Philosophy St. Thomas More Catholic School is a school of the Omaha Catholic School Consortium along with Holy Cross, Our Lady of Lourdes, St. Bernadette, and Sts. Peter & Paul Schools. St. Thomas More School provides a Catholic environment where children from Preschool through 8th grade can learn and be given the opportunity for intellectual, physical and spiritual development. We believe that the cooperation of the faculty and staff, parents and student will result in the development of mature Catholic citizens. The Catholic tradition holds that parents are always the primary educators of their children. Accordingly, all that the school provides is meant to complement the efforts of parents in providing similar faith development experiences at home. When both the family and the school community make continuous efforts to assist students in the formation of their faith, students grow in and become committed to their faith. The church is strengthened in its mission of proclaiming the Gospel. We ask that you continue your efforts in all of the named areas and continue to model for your children the discipleship of Christ, which is the fruit of our adult faith. Our own commitment to prayer, to the Eucharistic liturgy, to the sacrament of reconciliation, to the service of others, and to offer assistance to those in need will form children in rituals and practices that will enable them to deepen their relationship with God. As a member of the Catholic Schools of the Archdiocese of Omaha and in accordance with I. R. S. Form 5578, the **Annual Certificate of Racial Nondiscrimination**, St. Thomas More Catholic School admits students of any race, color, and national or ethnic origin.

Mission Statement The mission of the Omaha Catholic School Consortium is to challenge all students to be disciples of Jesus Christ by empowering them to reach their fullest potential through quality academic, spiritual, and social experiences

Charisms A charism is a spiritual gift or talent granted by God to the recipient not primarily for his own sake but for the benefit of others "in order to perfect the saints for a work of ministry, for building up the body of Christ". Through the intercessory power of our patron St. Thomas More, our school is guided by the charisms of Courage, Holiness, Intellect, Leadership, and Service.

Moto St. Thomas More, a man for all seasons, a school for all children

Belief Statements:

Catholicity: We believe that it is important to bring the Catholic faith perspective into all curriculum areas and all faculty and staff demonstrate a positive faith life for students and colleagues.

Communication: We believe that open lines of communication need to be in place to effectively educate children.

Environment: We believe that through a diverse and differentiated learning environment that all students will have the opportunity to succeed.

Discipline and Character Formation: We believe that students should develop the self-discipline necessary to become responsible community-minded adults.

Technology: We believe that students should acquire the proficient technological skills that allow them to access and process information so that they can apply what is learned to be responsive to ongoing changes in technology.

Fine Arts: We believe that students should acquire an appreciation for learning to express their creativity through the fine arts.

Service: We believe that service to the community is essential to living a life that is Christ filled. Our service efforts take many forms and include supporting the rights of the unborn, poor, aged, sick, and marginalized.

Exit Outcomes for Graduates and Grade Promotion (K-8)

Graduates of St. Thomas More Catholic School will demonstrate:

- Religious knowledge, virtues and practices
- Knowledge of core disciplines and the fine arts
- Higher order thinking skills
- Effective communication skills
- Competence in the use of technology
- Effective social interaction skills
- Independent learning skills
- Knowledge of practices essential to sound health, effective citizenship, stable families, life-long learning, and responsible stewardship.

Students will demonstrate competency in content areas and earn a grade promotion by earning passing grades in all subjects taught. When students fail to demonstrate grade proficiency despite efforts made by staff to provide additional instructional assistance, graduation and promotion to the next grade may be in jeopardy. Semester grade failures in three core subject areas constitute sufficient cause for a formal review of student progress to determine if grade promotion has been earned. Parents will be contacted for consultation whenever grade retention for any student is being considered. A full review of applicable information will be made by the administration, teaching staff, and parents to determine the course of action that will provide greatest benefit to the student.

The Nature Of This Handbook This Family/Student Handbook is provided for informational purposes only and does not constitute a contractual agreement between St. Thomas More Catholic School and any student or any parent of any student. The information contained in the Handbook provides a general description of rules and regulations. The school reserves the right to add to, modify or abolish any of the Handbook provisions without notice. Non-enforcement of any of the rules or regulations does not serve as a waiver of their future enforcement. This Handbook does not create any restriction on St. Thomas More Catholic School's right to institute any course of disciplinary action it believes is necessary and consistent with its Catholic educational mission.

Section IV---Policies

Communication:

Sycamore: On-Line Student Information System

Our school uses the Sycamore On-Line Student Information System. Through Sycamore parents are able to monitor classroom events, e-mail teachers and staff, view assignments, log parent participation hours, review student grades, and enroll their student(s). Parents are encouraged to check Sycamore daily for special school news updates. A link to Sycamore is also available from our school website at www.stmbengals.org.

Weekly Newsletter: A weekly newsletter entitled "Bengal News" will be e-mailed to parents via Sycamore and posted on the school's website at www.stmbengals.org. It will contain important information of upcoming news, events, opportunities, and the new monthly lunch menu. In addition, each Thursday is designated as Communication Day when other fliers and reminders for the week will be available on the website or be sent home with students. **It is the responsibility of the parent or guardian to review and retain this information for future reference.** All groups requesting to have information sent home with students or added to the Bengal News must e-mail their request to the principal **on Wednesdays (or on the day before the last day of the week on shorten weeks) prior to 3:00 p.m.**

Parent-Teacher Conferences: There are **two scheduled parent-teacher conferences each year, held at the end of the first and the middle of the third quarters.** Parents are expected to be in attendance. Parents should welcome this opportunity to confer with the teacher on the progress of their child. Teachers are also available for conferences at other times during the school year. Parents should arrange these meetings with the individual teacher. Conferences for **Preschool** are also conducted, but may be at a different time.

Classroom Visitations: Visitors are welcome in the school when the visit will not disrupt the teaching/learning environment. If a parent wishes to visit with a teacher please schedule a conference time. Teachers will not be able to stop instruction to meet with parents. The continuation of the learning environment is the most important goal of our school day. Due to possible disruption parents may not just stop in on a class unannounced. **All visitors must check in with the school office upon entering the building.** All visitors are expected to follow all school rules and routines.

Confidentiality: Parents are encouraged to make the school aware of personal situations or issues that may impact their child's school performance by means of a note, e-mail, or phone contact with the principal. The principal will share sensitive information about a student with faculty and staff only on a need-to-know basis, with the consent of the parent. Personal information shared by a student with a teacher (or other school personnel) through any means, verbal or written, will be treated confidentially unless, in the professional judgment of the teacher, disclosing the information is necessary to protect student health or safety. The teacher will report concerns to the Principal, who will take action as warranted. This policy includes information shared in student journals as part of a class assignment.

Problem Resolution: Communication and cooperation between a parent/guardian and a teacher are essential to a student's success. **If at any time issues or concerns arise, the parent must always first consult with the teacher to seek understanding or resolution.** If the parent is unsatisfied with the results of that conference then they may seek consultation with the Principal. The Principal may choose to convene a conference to address the matter and may also seek the advice of the Assistant Superintendent. If a satisfactory solution is not achieved, the Executive Director / Assistant Superintendent may become involved in the process.

St. Thomas More School prides itself in its partnership with parents. If at any time the parents have a question or concern they are encouraged to contact school personnel according to the following guidelines:

Academic Concerns: Always contact your student's Teacher first. If additional assistance is needed then the participation of the Principal may be requested.

Physical and Emotional Concerns: Teacher, then Guidance Counselor, then Principal

Special Education Concerns: Teacher then Principal

Athletic Concerns: Coach, then Athletic Director, then Principal. Be mindful that our sports club is an entity of the Parish and is not under the jurisdiction of the school.

Other Extracurricular Activities: Extracurricular Sponsor, Teacher, then Principal

Financial Concerns (Tuition, etc): OCSC Financial Director, then Principal

Grievance Procedures

If a parent/guardian has a concern regarding an issue/situation in school, the following steps are recommended and expected. The steps to resolving any conflicts or concerns should be followed in the order they are presented below:

1. Contact the child's teacher to discuss any concern and a possible solution. In cases relating to St. Thomas More School policies or procedures and outside their child's classroom, parents/guardians should begin with a discussion with the principal.

2. If the concern cannot be resolved with the teacher, the parent/guardian should then schedule a conference with the principal.
3. Should the principal, upon hearing the concerns of the parent/guardian, feel it is necessary, a meeting may be scheduled involving the parent/guardian, teacher(s) and the principal to help facilitate a solution to the concerns being addressed in the classroom.
4. If the parent/guardian still feels the problem/concern has not been resolved, the Assistant Superintendent should be contacted. The Assistant Superintendent has the ultimate authority for all educational operations in the school.

Parental Dissatisfaction When parents are seriously dissatisfied with an aspect of the school's program or operation, which the administration deems as integral to or in the best interest of the school, and they have exhausted all efforts at a mutual resolution of the problem, they should exercise their option of choosing another school. When the dissatisfaction results in continued agitation on the part of the parent, the administration may exercise the school's right to withdraw permission for enrollment of the child or children.

Access to Student Records The student's cumulative record is kept on file in the School Office. Only parents/legal guardians, and authorized school personnel may see them.

Access to and disclosure of student records are provided according to the following guidelines.

- 1) Parents/legal guardians may view these records one working day after submitting a written request. While examining, an administrator or teacher must be present.
- 2) The school will consider a written request to amend a student record. Such a request needs to identify the proposed change and specify reasons for the change. If approved by the Principal, the student record will be amended.
- 3) Parents must provide written consent for release of student records, with the exception of disclosure to other school personnel with legitimate educational interests or disclosure upon legal requirement to provide student record information.
- 4) Release of official copies of student records is contingent upon written consent of the parent/guardian, and fulfillment of financial obligations to the school.
- 5) The school will release an elementary graduate's record upon the request of the enrolling high school, without written consent of parent/guardian. **Such release will only be made if all financial obligations to the school are fulfilled.**

Rights of Non-Custodial Parents

- 1) **Court Orders:** At the time of registration, or as the parents become aware, court orders relevant to student and/or school information must be presented to the Principal by either or both parents.
- 2) **Records:** Non-custodial parents may submit written requests for their children's records unless a court order prohibits them from doing so. School personnel may assume the non-custodial parent has a right to the student's records unless a court order to the contrary has been provided. School personnel do not need permission from the custodial parent, but they will attempt to notify the custodial parent that they intend to comply with a request from the non-custodial parent.
- 3) **Conferences and Information:** Non-custodial parents may attend regular parent/teacher conferences or arrange special parent/teacher conferences unless they have been restricted from doing so by a court order. General school information, such as lunch menus or announcements of school events, is not considered part of a student's records. The school is not required to provide such information to non-custodial parents, but may comply with requests if it is feasible to do so.

- 4) **Other Contacts:** The school will not release a child to the non-custodial parent unless asked to do so in writing by the custodial parent. If custody has not been decided, the student may leave with either parent unless a court order to the contrary has been provided.
- 5) **Joint Custody Information:** If parents have joint custody, each parent will have the same rights unless restricted by court order. The school may require a copy of the legal document indicating who is the custodial parent, and may also require identification from the non-custodial parent.

Section V---Admissions

Admission Guidelines

The Principal will make the decision concerning your child's acceptance and placement into our school. We will use the following criteria in descending order when we have a waiting list.

1. The family has current students attending St. Thomas More School.
2. The family has siblings of accepted, new students.
3. The family is a registered and active member of St. Thomas More Parish (length of registration may be a factor).
4. The family is a registered and active member of another Consortium parish.
5. The family is Catholic, non-parishioner; date of school application and availability of parish school will be considered;
5. The family has students planning to attend our K-8th grade program (this applies only to preschool and prekindergarten programs).
6. The family is non-Catholic; date of school application will be taken into account.

As a way to better acquaint them with St. Thomas More School, all parents/guardians and students will be required to meet with the Principal at school as part of the enrollment process. St. Thomas More School requires all parents/guardians to give the school a copy of their child(ren)'s birth certificate and baptismal certificate.

Non-Discrimination Policy St. Thomas More Catholic School admits students of any race, color, national and ethnic origins to all the rights, privileges, programs, and activities generally accorded or made available to students at this school. The school does not discriminate on the basis of race, color, national and ethnic origin in the administration of our educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Student Registration During the month of February, a Registration folder for the upcoming school year will be sent home with students. The enrollment process will be communicated in the folder along with a list of all tuition and registration fees and all forms that will need to be filled out and sent back to the school to complete registration by a designated date.

Registration Fees

All families are required to pay a \$100 per student **nonrefundable** registration each year. This fee is expected even if students enroll during the school year. Payment of the fee secures a position for the upcoming school year.

Tuition/Student Fees

Tuition/Student Fees will be reviewed and established annually by the OCSC Board of Directors. Parent/guardians will be advised of the tuition and book fees at registration. Tuition is to be paid in full either annually (due by the end of June prior to the upcoming school year) or by using one of the payment options available in FACTS.

Tuition Policy Tuition collection is administered by the Business Office of the Omaha Catholic Schools Consortium and handled by a company called FACTS. All parish families are expected to contribute to the parish subsidy of the school through their weekly stewardship offering made to St. Thomas More Church.

St. Thomas More Catholic School strives to keep tuition within the means of our school families. Tuition payments cover approximately 40% of the costs of educating our students, while the Consortium through donations and parish support subsidizes the remainder of the costs. Tuition balances must be paid as scheduled or by the arranged time before the first day of school for the following school year. The annual rate of tuition and fees of a future academic year for the schools of the Omaha Catholic Schools Consortium is determined by the Board of Directors in January for the upcoming year and communicated to school families and others in preparation for registration procedures in February and March.

Registration fees are collected at the time of registration. Tuition collection is processed through FACTS, unless a separate arrangement has been made with the business office of the Consortium.

Financial aid is available through the following sources:

- Children's Scholarship Fund
- Latino Scholarship Fund
- Parish-based Financial Aid / T.A.P.
- Consortium-based Financial Aid

The first step in applying for financial aid is to complete the form of the Children's Scholarship Fund. Data from this form will be used to determine aid from the other sources. The award decision by the Children's Scholarship will precede any decision for the awarding of financial aid from the other sources.

- Financial aid decisions from the Children's Scholarship Fund will be made by the officers of the Fund.
- Financial aid decisions from the Latino Scholarship Fund will be made by the officers of the Fund.
- Financial aid decisions from Parish-based Financial Aid will be made by the Pastor or other designated individual from the particular parish.
- Financial aid decisions from Consortium-based Financial Aid will be made by the Executive Director of the Omaha Catholic School Consortium.

Regular tuition payments will be processed through FACTS. In specific circumstances, payments may also be processed through the Consortium business office.

Delinquent tuition accounts will be handled as follows:

- FACTS will mail an invoice to families and request payment of the delinquent amount.
- Families may then contact the Consortium Business Office to make special arrangements for addressing the delinquent amount and future payments.
- If no response is forthcoming from the mailing of the FACTS invoice after 20 working days, contact will be made by letter, email, telephone, or person to person.
- If no response is forthcoming from the above contacts, the tuition account will be referred to the Assistant Superintendent.
- Unless an exception is made by the Assistant Superintendent, no student will be allowed to re-enroll in a subsequent semester if tuition is not current.

Payment for Kindergarten - 8th Grade tuition begins in June of the new school year using 12 monthly electronic fund transfers as arranged through FACTS through May.

Pawprints Preschool Tuition is paid through the same EFT payment method through FACTS, but runs for 10 months in August - May.

Tuition Assistance Program (T.A.P.) T.A.P. makes it possible for families to receive tuition assistance from the parish by completing the necessary application process. All families who receive tuition assistance also incur an obligation to work as part of a stated event or fund raiser. Funds earned through this program will be contributed to TAP so that future tuition assistance awards can be offered to families. **Important to remember: It is the family's responsibility to contact the TAP committee through the parish office at 402-556-1456 when tuition assistance is needed.** To provide objective, comprehensive, and affordable financial need analysis of each applicant that applies for tuition assistance, an independent company known as **Financial Aid Independent Review, Inc. or FAIR** is employed. Families who successfully complete the application process and qualify for assistance will be notified by the TAP Committee before school starts.

Records Required for Admission St. Thomas More Catholic School observes all applicable Nebraska laws regarding records required for admission. All students must submit:

Immunization Card

Each student MUST have a completed Immunization Card on file in the school office. These cards are inspected by the Health Department for compliance. The Nebraska School Immunization Law requires that all students be immunized and PROVIDE PROOF of immunization before the students may be admitted to classes on the first day of school. See page 37 for listing of immunizations required.

Birth Certificate

An original copy of their birth certificate

Physical

State law also requires that all out-of-state transfer students and each student entering Kindergarten and 7th Grade provide evidence of a physical examination, dental, and vision test administered within six months prior to entering that grade. By state statute (Neb R.S. 79-214),

No child will be **admitted to kindergarten** unless they will have reached the age of five years by July 31st of the current year.

Kindergarten Admission

All Kindergarten students must be at least to the age of five prior to July 31st on the current year before they can enter Kindergarten.

Preschool Admission To be eligible to enroll in the three-year-old class, your child must turn three by July 31st of the respective school year. Four-year-olds must turn four by July 31st of their respective school year. All preschoolers must be fully potty trained.

Transfer Student and New Student Admission All transfer and new students shall complete on-line Registration, set up their FACTS account and submit their Registration Fee and Form to the St. Thomas More School Office. All registrations are subject to approval by the Principal. All applicants shall be reviewed by the Principal and assigned a priority in accordance with current admissions policy. There is to be an interview with the child and parents by the Principal and Pastor if requested. Pending the results of the interview, and on a space available basis, the parent shall be notified in verbally or in writing regarding acceptance or non-acceptance. Any application for admission, which cannot be honored due to classroom size shall be placed on a waiting list, and so advised in writing. The applicant will be assigned a position on the waiting list based on the admission policy. In order to remain on the waiting list, the applicant shall re-contact St. Thomas More Catholic School at the beginning of the next fall term. It may be determined by the principal, that due to the circumstances associated with an applicant's prior school experiences, the student should be placed on a **Behavior Contract**. The purpose of the Behavior Contract is to clarify expectations of the school for the student and the parents. Students placed on a Behavior Contract are accepted conditionally and may be asked to withdraw if they are unable to comply with

the mutually agreed contract. Applicants for admission, which do not meet the admission guidelines, shall be returned to the applicant with reasons for non-acceptance.

Students who are determined to have special education needs shall follow the guidelines set forth by the Archdiocese, which are on file in the Principal's office. Every effort will be made to collaborate with the public school district of residence to provide the designated services identified for a special education student in accordance with the student's Individual Education Plan (IEP). **All transfer students and their families shall be made aware that acceptance for admission is conditionally based upon the ability of the student to successfully acclimate to their new environment and to academically prosper. If after a sufficient time to allow for necessary adjustments to our new school setting, it is evident that the student is not progressing, the student and family may be asked to leave the school.**

Parent Participation Program (PPP) The success of St. Thomas More Catholic School depends on a spirit of cooperation and shared sacrifice of time and talent among parents and school staff for the good of students. There are many opportunities for parent volunteer service to the school or parish, such as volunteering in the lunch room, helping with class field trips or celebrations, baking for teacher appreciation days, working concessions, coaching teams for the sports club, or working at the Festival.

- **Dual parent families are required to contribute a minimum of 40 hours of volunteer service per year at school.**
- **Single parent families are expected to contribute a minimum of 20 hours of volunteer service per year at school.**

Parent Participation Hours are tracked on Sycamore by following these directions:

- Go to Service Manager
- Go to Daily Logs
- Click on New Log to log hours
- A New Log sheet is needed for each service
- List the service in the notes
- Log the hours served

Unfulfilled Service Hours. For each hour not completed by the end of the school year a charge of \$4.00 per hour will be assessed, payable by the last day of school. If a family cannot commit to this call to stewardship, a payment of \$160.00 (\$80.00 for a single parent family) may be paid in advance. This fee is payable on the first day of school.

NEW PARKING LOT PROCEEDURE

New this year in an effort to reduce congestion and improve safety, the **NORTH DRIVE ENTRANCE** will be designated as **EXIT ONLY** from the lot and the **SOUTH DRIVE ENTRANCE** will be designated as **ENTRANCE ONLY**. This change will hopefully ease congestion on the parking lot and create a safer environment for our students.

Morning Student Drop-Off Drivers are asked to observe the **ONE WAY TRAFFIC and NO PARKING** signs on the 48th Street section just south of the church on the west side of the street from 7:30-8:30 a. m. on school days. Parents are asked to pull as far up to the south end of the sidewalk as possible on 48th Street so that children might be dropped off safely at the curb. Students being dropped off on the east side of 48th must use the safety patrol to cross the street. To create a safe area in the parking lot for children to cross to the school entrance when they are arriving at school from 48th Street, cones will be placed to restrict parking to the far south end of the lot beginning at 7:45 a. m. Drivers are asked to respect this demarcation and when necessary **and** park in the far south end of the east lot or on the east side of 48th Street. **Cars parked on the lot should be moved prior to the 11:00 a.m. lunch / recess period.**

Parents are to drop students off **at the doors** of the school. **For security reasons only PK Parents may walk their students into the school to drop them off at their classroom.** Students in Kindergarten and 1st Grade are to line up by class to enter the school at the main doors, students 2nd – 3rd Grade are to line up by class to enter the school at the middle doors, and students in 4th – 8th Grade are to line up by class to enter the school via the south

doors. Teachers are on the lot in the mornings to assist students with recognizing their line up area and entering the building.

Afternoon Pick Up All students are dismissed from the same doors they used enter the building in the morning. For security purposes and to ease congestion, parents are to wait outside of the building to receive their student. Parents who want to park and get out of their car may use the southern portion of the parking lot east of the school or may wait on 48th Street, between Grover and B Streets, which is one-way going south 2:30 – 3:30 p.m. on school days. Parents using the church/school lot may only use the far south end as marked by cones. For student safety, we ask all drivers to obey these rules, especially when the weather is inclement. As a reminder, new this year, the **NORTH DRIVE ENTRANCE** will be designated as **EXIT ONLY** from the lot and the **SOUTH DRIVE ENTRANCE** will be designated as **ENTRANCE ONLY**. This change will hopefully ease congestion on the parking lot and create a safer environment for our students.

Morning Walking Club To encourage fitness the school sponsors a morning “Walking Club” which is directed and monitored by a parent volunteer. For Walking Club students walk around the school building for a morning exercise opportunity 7:30 a.m. – 7:45 a.m. On inclement and winter mornings, Walking Club is held in the school gymnasium. Students who report to school earlier than 7:30 a.m. will be directed to the morning Extended Care and a charge will be generated. All students at school prior to 7:45 a.m. must be attending Extended Care, Walking Club, or working with a teacher in a pre-arranged meeting.

Safety Patrol Student in 6th – 8th grade are expected to serve on the school’s Safety Patrol to assist crossing students both before and after school. Off Campus Lunch

Students may go to their **own** homes for lunch if their parents have submitted a note to the school office requesting that they do so. One note may be sent at the beginning of the school year if the student(s) is going home each day. If the student(s) is going home for lunch on non-consecutive days, a note must be sent for each day they are to do so. Please know that no patrollers are on duty at lunch time and that the student(s) will need to be able to safely cross any streets by him/herself. The student(s) must check out at the office before leaving the building and then check back in at the office when returning. Students may **not** go to the home of another student for lunch or to a restaurant unless accompanied by their **own** parent or guardian, or with special permission from the principal. Students who go home for lunch must be back at school by 11:40 a.m. for Kindergarten -3rd Grade students and by 12:20 p.m. for 4th - 8th Grade students.

Recess

It is important for everyone to have physical activity as a part of their day. Students in all grades will have regular recess periods which will be outside weather / space permitting.

Regular Recess Schedule * Times may be adjusted due to various circumstances*****

Kdg. - 3rd Grade 11:40 a.m. - 12:00 p.m.
4th - 8th Grade 12:25 p.m. - 12:40 p.m.

St. Thomas More School employees are solely responsible for the safety and supervision of students during recess. For the safety of our students, volunteers and other visitors are **not permitted** to approach or engage students during recess for any purpose. When attempts are made by volunteers and/or visitors to interact or engage students during recess they will risk the right to be a guest of the school in the future.

Weather and Emergency Dismissals

Hot Weather: Classrooms are equipped with window air-conditioning units, so special dismissals due to heat should not be necessary.

Snow Days: In the event of snow or ice storms, St. Thomas More Catholic School will follow the Catholic Schools Office policy concerning closings. The decision to close school will be announced on most local radio and television stations before 7:00 a.m. and identified as ***Omaha Catholic Schools***.

Emergencies: If there is an emergency during the day, which requires an early dismissal, it will be communicated with parents using Sycamore and announced on local radio stations. Students will be held at school until picked up by their parents, unless other arrangements have been indicated on the student's registration.

Tardies Students reporting to school after the 8:00 a.m. tardy bell has rung (morning session) will be considered tardy. The number of times tardy will appear on the child's report card. Habitual tardiness, **more than four times a quarter**, will result in notification to the parent and require the establishment of a correction plan. (this does not include absences for doctor and dentist appointments.) For chronic tardy problems of **more than 10 per quarter**, additional tutoring may be recommended so that students are able to meet learning standards. When a student misses two hours anytime during the school day for any reason, he/she will be marked absent for ½ day. **If the parent anticipates that their child is going to be tardy in arriving at school, the parent/guardian must notify the school and send a note explaining the child's late arrival before the child will be admitted to class.**

Absences **Student absences for any reason require parents to call the School Office by 8:00 a.m. at 402-551-9504 each day of absence.** When the student is able to return to school, he/she must bring a written note, with a parent signature, listing the date of the absence and the reason for the absence. **When a student will be absent from school due to a planned reason, a note should be sent to school prior to the absence giving the reason for the absence and the dates the student will be out of school.** Parents do not need to call each day of planned absences once they have submitted a note. If the teacher is given enough notice, when possible, lessons that will be missed may be sent home to be done during the time the student is gone.

If a student becomes ill during the school day, the parents will be contacted before the student is allowed to leave school. The call will be made by a staff member. The child will never call home directly. Parents should make sure at least two reliable persons are listed as emergency contacts on their student's registration in cases when the parent is unavailable. These should be people who can come to the school if it is necessary. If a student has to leave school early, he/she must present a written note, with parent signature, to the homeroom teacher who will send it to the office. All students leaving school early should check out at the School Office before doing so. If you usually pick up your child after school and find that you will be late, please contact the school office so that we are able to inform your child. Younger children can become very anxious if they are not picked up at their usual time.

Excessive Absences The progress of student learning depends on regular attendance and punctuality. Absences can prove to be a serious detriment to student progress. **This should be kept in mind when scheduling family vacations and medical or dental appointments.** As directed by state statute 79-209, if the child is absent **ten days or more per year**, archdiocesan schools are obliged to report the student's information to the Catholic Schools Office for subsequent reporting to the county attorney. When students are absent **twenty days per year** or the hourly equivalent, the attendance officer is required to file a report with the county attorney of the county in which the student resides. This requirement applies to all absences.

Truancy Truancy is the violation of Nebraska's Compulsory Attendance Law through absences from school. Excessive absences may be interpreted as truancy by the county attorney. Parents should be aware of the following guidelines and procedures.

When a student's absences exceed **five days or equivalent hours per quarter, ten days or equivalent hours per semester, or twenty days or equivalent hours for a given year, the school shall:**

- 1) Notify parents of the potential for charges of truancy.
- 2) Work with the parents in documenting a plan to limit excessive absences.

If the student fails to meet the conditions of the documented plan, the school will serve written notice to the parent or guardian, warning him or her to comply with the Nebraska Compulsory Attendance Law and advising him or her that failure to do so will be reported to the county attorney. Upon the next failure to meet the conditions of the plan, the school shall file a report with the county attorney.

Make-up Work Students are responsible for making up work missed as a result of a tardy or absence.

- 1) **Planned absences** – Students are responsible for contacting all of their teachers prior to the planned absences to get any work they can make up while they are absent. All homework should be turned into teachers on the day they return. Students should also ask each teacher for any other work they may have missed and discuss when it is due.
- 2) **Unplanned absences** - Upon the day of their return, students are required to visit with each teacher to determine what effort they must make to complete missed assignments, projects, quizzes, and tests in a timely manner. Most often, students will have the same number of days to make up work as they were absent. However, they are strongly encouraged to engage in efforts to receive missed instruction and complete all work as soon as possible.

Section VII---Academics

Accreditation

St. Thomas More Catholic School is accredited by the State of Nebraska. As an accredited school, we are in compliance with all the numbered provisions under Title 92, Chapter 10 as regulated by the Nebraska Department of Education.

Curriculum

St. Thomas More Catholic School follows a standards-based curriculum prepared by the Archdiocese of Omaha Catholic School Office that provides clear expectations for education standards as well as specific Nebraska Standards relating to each essential program standard. Curriculum Night is held in the fall to provide information to parents about the curriculum their child will learn in core subjects (Religion, Reading, Math, Science, Social Studies, Language Arts) and in "specials" (Art, Media Center / Library, Music, Physical Education, and Spanish).

Multicultural Education It is the policy of St. Thomas More Catholic School to utilize the resources of curriculum, instruction, in-service, counseling, and guidance to reflect the racial, ethnic, language and cultural heritage of both historical and modern-day United States of America by observing the following objectives:

- 1) To select materials and methods that will eliminate bias and stereotypes in our schools.
- 2) To conduct in-service programs for our faculty and staff that will assist them in understanding a multicultural approach and to reflect this in their teaching and administrative duties.
- 3) To encourage all students to grow in self-esteem and to understand and develop their academic and human potential.
- 4) To guard against grouping of students that reflects racial, ethnic or cultural bias.

Assessments

Terra Nova 3 Terra Nova 3 is a standardized test that is required for all students in the 3rd - 8th grade and is administered in the fall, typically in October. The results of these tests will be provided to parents so that they may monitor their student's progress. It is recommended that when analyzing a student's test results, parents and educators examine the **NPR or National Percentile Rank** score since this compares students to other students of the

same grade who took the same test at the same time throughout the nation as well as to the NCE or Natural Curve Equivalent to measure progress from year to year.

Renaissance Star Assessments (STAR)

Star Assessment is a computer-adaptive assessment comprehensive that helps to accurately measure students' reading and math achievement and growth. Star Benchmarking Assessments can be given as often as three times a year (fall, winter, and spring). Benchmarking helps educators plan and deliver the most appropriate instruction by giving them reliable data and information about each student. Star Assessments can also be used to set and track student progress toward individual goals. Individualized goals can be measured as often as weekly and allows teachers to monitor student progress toward those goals. The Star Assessments program then provides instructional resources that teachers can assign to address individual needs. Some of these assignments may be worked at home or students may participate with others during class time. The goal is improved learning on targeted standards.

Fountas and Pinnell Benchmarking Fountas and Pinnell is used to measure student's reading level in Kindergarten – 8th Grade. Students are graded on a scale of A – Z used to assist teachers in aiding students to improve their reading ability as taught through Guided Reading.

Report Cards PK and Kindergarten report cards are issued as a paper card. Report cards for 1st – 8th grade are issued quarterly in both paper form and are available on-line in the **Sycamore Student Information** grading program. Parents are provided a log-in and password to this Student Information System so they can monitor student academic progress throughout the year. Parents/ Guardians are urged to take a healthy interest in their student's school behavior and academic progress letting the student understand that the school and parents have a shared goal of assisting them in achieving success. It is important that the student be commended for accomplishments and encouraged to work on areas that they are being challenged by.

Progress Reports Progress Reports are issued mid-quarter for 1st – 8th grade in paper form and online using the Sycamore grading program. Parents are asked to study these carefully and discuss them with their student. A conference with the appropriate teacher may be indicated and should be arranged. If there are any questions, please contact the appropriate teacher directly to help to clarify understandings of the progress report and what positive responses can be taken to redirect the student towards more productive achievement.

Classroom teachers will periodically update parents on activities and topics being covered in classes. Students will often bring home completed homework papers and tests to show their parents; sometimes these will need to be signed and returned. Parents should remember to check the contents of their child's backpack frequently so as not to miss important information. Papers are typically sent home on Thursdays.

Grade Scale

Generally, St. Thomas More Catholic School uses a letter grading scale (**A, B, C, D, F**).

A+ 100-98%	B+ 92-91%	C+ 85-84%	D+ 77-76%	F Below 70%
A 97-95%	B 90-88%	C 83-80%	D 75-73%	
A- 93- 94%	B- 87-86%	C- 79-78%	D- 72-70%	

In addition, **Satisfactory and Unsatisfactory** are used to indicate whether the student is working at his/her level of competence and to indicate behavior or attitude in class.

Honor Roll Calculated from grade point average (GPA) for seventh and eighth grade students at semester reporting. The following designation will be used:

High Honors	4.00 to 3.70	A to A ⁺	Honors	3.69 to 3.50	B ⁺
-------------	--------------	---------------------	--------	--------------	----------------

Eighth Grade Graduation All eighth grade students who fulfill graduation requirements are expected to participate in the graduation ceremony held in May. At the end of each year the cost of graduation (which includes flowers, diplomas, graduation gowns, and other incurred expenses) will be totaled and distributed evenly among the graduates. This graduation fee must be paid prior to the eighth graders' last full day of school along with all other outstanding fees and tuition for each eighth grader to participate in the graduation ceremony.

High School Placement Exam The Catholic High Schools Placement Exam is given in January to 8th grade students planning to attend a Catholic high school in the fall. Contact the Catholic high school of your choice to register your child for this exam.

Homework Homework is an essential part of any school program. Age appropriate grade level homework assignments will be given to measure a student's understanding of the skills and information taught in the classroom as special enrichment material to enhance the student's learning. Teachers assign work that the child is capable of performing on his/her own. Parents may assist their student in understanding their homework, but it is important that they refrain from actually doing it. **Parents can best support their student's homework efforts by ensuring that it is completed daily and by providing an atmosphere at home for study. Students will need a quiet and spacious study area free from distractions such as radio, television, and telephones.** A regular schedule should be established and followed faithfully. When students do not have a specific assignment, they should be encouraged to read for pleasure or spend some extra time on a particularly difficult subject.

Classroom teachers will inform parents of their grade level specific policies on homework early in the school year. It is to be expected that children entering junior high will experience a significant amount of additional homework. However, if you find that your child is spending an inordinate amount of time on homework, you should contact the classroom teacher. A conference may help discover if a problem exists. When homework is not completed on time, the student's grade may be lowered. Late homework for grades 6-8 will be lowered ten percent each day. In an effort to encourage the student to complete missed assignments and improve performance, time after school may be assigned at all school levels.

Academic Difficulties When a student fails to complete or hand in an assignment they may need to work after school to complete the homework before they leave for the day. Tutoring help may be necessary and is available after excessive absences. Parents should be aware that when students are frequently absent, recovering missed learning may be extremely difficult for them.

Student Assistance Team (SAT)

To assist students experiencing academic difficulties, the school uses a SAT Team to help them improve. The SAT Team can include the parent and, when appropriate, the student, in a positive, problem solving, intervention process. It assists students by ensuring that the school and community are doing everything possible to make the student's school life successful. Students are most successful when there is a strong spirit of cooperation between home, school, and community. Based on this shared responsibility, the SAT meets to explore possibilities and strategies that will best meet the educational needs of the students, and support teachers and parents. The SAT includes the most important people in the student's life, parents or caregivers, teachers, counselors, specialists, and school administrators.

How does the SAT Process Work? Students are typically referred by the classroom teacher, but any member of the school staff and/or parent may request support from the SAT for a student whose learning, behavior or emotional needs are not being met under existing circumstances. The classroom teacher(s) would have already notified the parent regarding these issues. **Prior to the first SAT meeting, teachers would have implemented some classroom modifications that enhance learning for students.** A modification may be as simple as a change in seating location, a daily assignment sheet, or an increase in the use of visual teaching aids. Sometimes a simple change can make a big difference for a student. Any modification that has been tried or is currently in place will be discussed with a parent at the SAT meeting. Using this information, the team can suggest further steps to help the student.

What happens at a SAT Meeting?

- The student and parents (when appropriate) meet with a group of teachers, wellness staff, and/or administrators.
- The team discusses the student's strengths, concerns, gathers pertinent history and information and discusses present interventions and outcomes.

- The team brainstorms interventions and chooses actions to complete a plan of action for student success.
- A facilitator leads the group through a process, which results in a written six week plan of action.
- At the end of the meeting, a follow-up date will be scheduled to review progress.

What happens when poor performance persists? If the student is capable of completing the work and adequate progress towards meeting the requirements of the contract is not seen within six weeks, the student may be excluded from school-sponsored extracurricular activities for the remainder of the semester. If progress is still not being made, further consequences will be considered. Most importantly, we want to work together to inspire and motivate our students to excel.

What happens if it appears a student could benefit by repeating a grade level? When poor academic progress suggests that a student might benefit from retention of a grade, parents will be notified prior to the end of the third quarter. Through a conference with the parents, teacher, and Principal, a decision will be reached based on the maturity level and the academic achievement of the child, and the result of the **Light's Retention Scale**, an objective assessment of student retention. If a parent decides to send their child to the next grade against the recommendation of the administration, a waiver must be signed by the parents. Final approval on this decision rests with the Principal.

Summer School Recommendations Parents of students who are recommended for summer school will be notified during the last quarter of the school year. When this recommendation is made, it is the parent's responsibility to follow the recommendation.

Academic Sports Eligibility In order to better assist students in managing an equal balance between activities and academics, **students** who participate in STM Athletics (Sports Club) sponsored sports and/or school sponsored extracurricular activities must adhere to the following guidelines to maintain eligibility to participate:

- 1) Students must maintain passing status in all of their classes. **When students are failing any subject or have an 'incomplete'** as indicated by a **progress report or report card**, they will lose the right to participate in STM Athletics sponsored sports and/or school sponsored extracurricular activities for **at least two consecutive weeks from the point the report card is sent home**. The Principal will notify Parents and the STM Athletics President who will in turn notify the coaches of all students who are under academic sports suspension. Grades must be raised to passing for the student to resume participation.
- 2) To be eligible for sports participation all students must behave in a respectful and Christian manner in school and at all school related activities.

Special Education Recognizing that individual differences exist among students, St. Thomas More Catholic School makes reasonable adjustments and accommodations to help students develop skills affecting academic growth. Differentiation of instruction is one strategy employed by teachers so that students receive effective instruction. Teaching staff will gather to review student progress when concerns are warranted by the Student Assistance Team (SAT). SAT meetings are a required component of planning for formal testing through the Omaha Public School District or other agencies. When developmental delays and/or behavioral impairments exist to the degree that academic progress is impaired, the school administration, after consultation with parents, will help initiate a referral to an appropriate agency or resource if necessary.

After diagnosis by qualified personnel, suggestions for helping the student will be implemented by school staff as determined by a 504 Plan or an Individualized Education Plan (IEP). These plans will be reviewed and revised as needed annually. If this assistance does not result in significant progress within a specified time, the school administrator will continue to assist parents in identifying a more helpful educational situation for the student.

R.E.A.C.H. The Really Eager and Climbing Higher (R.E.A.C.H) program is offered for students in 3rd - 8th grade students during second semester. *Terra Nova and Explore* standardized test scores are reviewed to determine placement. According to the Nebraska State Gifted Guidelines, students qualifying should be in the 95th percentile range in reading and /or math. Some students may also qualify by teacher recommendation. Participants are awarded certificates of achievement at the end of the year. A grant is written yearly through the archdiocese to help fund this enrichment activity. Previous topics have included Mock Trials and the Legal System, Pythagoras: Math & Music; Wind Power; Butterfly Life Cycles and Butterfly Gardens; Computer Programming in FMSLogo; Math Olympics; Game Theory & Strategic Thinking.

Religious Instruction and Non-Catholic Students St. Thomas More Catholic School does not discriminate on the basis of race, color, national and ethnic origin, or religion in the administration of our educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs. While accepting students of many faiths, it is understood that students enrolled in St. Thomas More Catholic School will participate in all faith liturgies and practices, and be held accountable for all religious instruction on the Catholic faith. This includes the learning of prayers and the completion of all assignments and assessments.

Field Trips Student learning can be enhanced by traveling to an educational site outside the school building for field trips. Field trips are privileges afforded to students; no student has an absolute right to attend a field trip. Students can be denied participation if they fail to meet academic or behavioral requirements. Since they are of an educational nature, students will be held responsible to attend and participate in field trips as a class when they are scheduled. In order to attend a field trip, a student must have a signed parent permission form. These are sent home with the student prior to the field trip and must be returned to the teacher by the designated date. The permission form includes all information the parents need to be aware of including destination; date and time of departure from school and arrival back at school, teacher or person in charge of the students, cost involved, educational purpose of the trip, and method of transportation. If the student does not return a signed parent permission form he/she will not be allowed to attend the field trip. The student will be assigned to a supervised location at school for the duration of the trip.

Parents who volunteer to drive on field trips must have a completed Driver Information Form on file in the school office and must complete a **Catholic Mutual Safe Driver Training Course** administered online prior to the day of the trip. Parent drivers should take the agreed upon most direct route to and from school to the place of the field trip, and must be sure that each child is seat-belted in an appropriate seat in their vehicle. All parent helpers need to be fully aware of their responsibilities, and should not bring any additional children with them. When parents volunteer to assist with student transportation and chaperoning, they are expected to complete and retain current **Safe Environment** certification. Information about Safe Environment Training can be found on the Archdiocesan website at www.archomaha.org.

In the Media Center our students and teachers to learn how to become effective and ethical consumers and creators of information. It is our center for encouraging life-long appreciation and love of literature and reading. We will strive to equip our students and staff with current and relevant technology skills.

Computer Usage At times teachers will instruct students to research on the internet. Students' access to the internet will be limited solely to those websites that will facilitate their search for identified information as directed by the teacher. The computer teacher will be reviewing an agreement statement for all students using the computer to insure their compliance with this policy.

Student Technology and Internet Agreement St. Thomas More School will provide computer internet access resources for students when such information is consistent with educational philosophy and goals of the school. The school supports research and education as well as collaboration with other individuals and groups. The Internet provides a connection to this global community, promoting educational excellence. Teachers will blend thoughtful use of network resources and the internet throughout curriculum, utilizing them to facilitate innovation and communication. By providing valuable electronic field trips, educators are building a community of life-long learners. With parental and student assistance the district will help students make good decisions regarding the use of this tremendous resource. To ensure quality use of school networks and the internet, guidelines have been established. To participate in computer / internet usage students must follow the established rules.

Student Use of Social Networking Sites

Students are not allowed to access social networking sites at school whether on school computers or personal communication devices (which are not allowed at school). Allowing children under the age of 16 to use social networking sites and gaming site can present safety and other challenges for parents and schools. Too often these sites contain inappropriate content, language, and may contain some pornography. Parents must decide whether the benefit outweighs the risk to use social networking sites.

If parents are going to allow their children to use Facebook, Twitter, Wiki sites, or whatever the latest social networking sites are, Donna Rice Hughes at protectkids.com offers the following rules as a guide:

1. Instruct your children to never give personal information over the internet.
2. Secure the family computer by installing a firewall, anti-virus and anti-spyware software.
3. Be aware of photos your child is posting online.
4. Inquire about your child's on-line activities and friends.
5. Instruct your child never to plan a face-to-face meeting.
6. Restrict access to social networking sites by using privacy settings.

Students who choose to use social networking sites take a risk of violating the rights of other students and of damaging their own reputations. If the activity of students using social networking sites in any way negatively reflects on St. Thomas More Catholic School, its students or staff, the student(s) involved will receive the appropriate consequences for the specific misbehavior as determined by the school administration. Depending on the nature of the occurrence, consequences may include any level of consequence listed in this handbook.

Liabilities St. Thomas More School will not be responsible for financial obligations incurred by users of the school's network or Internet system. The school will not accept responsibility for how students use knowledge of the Internet nor the quality of the information obtained. Any damages a user may suffer, including loss of data, will not be the responsibility of the school. All users shall assume full liability, legal, financial, or otherwise, for their actions.

Section VIII—Code of Conduct

Code of Conduct St. Thomas More Catholic School's Code of Conduct is to provide guidelines for the community so that students, parents, and staff will live and grow in their love of Jesus Christ and His teachings. The rules and their consequences are intended to assist parents, students, faculty, and staff in this task. The cooperation of all involved is required to fulfill our mission. Discipline is a system of rules and regulations that govern the conduct of the students and staff enabling them to create a positive, productive learning environment. Just as academic learning is an on-going process, so too is the mastery of discipline skills so each student will ultimately become self-disciplined and self-directed. Positive methods of discipline will be used and encouraged. Appropriate behavior in school is a responsibility to be shared by students, parents, and staff, and the St. Thomas More Catholic School community. Self-discipline skills will be taught to students and integrated with all other instruction throughout the school day.

Section IX --- Behaviors and Consequences

St. Thomas More Catholic School has a school wide discipline system designed to maintain our mission and goals. This system provides an age appropriate, respectful, self-discipline system based on a Christian philosophy on a continuum from grades Kindergarten through 8th. Our discipline policy allows consistency and continuity that will enable the students to have opportunities to accept personal responsibility necessary for growth socially, academically, spiritually and physically. To preserve privacy, parents will only be notified about the behavior and corrective measures of their own student(s). Please note: **Students can be held accountable for conduct inside or outside of school that is detrimental to the school, environment, the school image, staff, or goes against our Catholic Christian beliefs.** Positive discipline will be used and encouraged. Appropriate consequences for specific misbehaviors will be determined by the Teachers, Principal, and the Executive Director. Each issue will be dealt with on an individual basis. Legal authorities will be contacted when a violation of local, state or federal law occurs.

Levels of Consequences Consequences for disrespectful and irresponsible behavior include, but are not limited to, the following:

Demerit When a demerit is issued, the student will be required to take his/her card home for a parent/guardian signature. When a student has accumulated three demerit card signatures in a quarter, he/she will be required to serve a short term detention. If a student accumulates four demerit card signatures in a quarter, he/she will be required to serve a long-term detention. If a student accumulates five demerit card signatures in a quarter, he/she will receive an office referral and will be required to serve a long-term detention. Each subsequent demerit in a quarter will result in further disciplinary action to be determined by the teacher and/or the principal. The teacher and/or principal will determine when a violation requires a demerit.

Detention Teachers will notify parents prior to any student staying after school to serve a detention.

For students in grades K—3, short-term detentions are served for 15 minutes after school (3:10 – 3:25 p.m.) on the day after the infraction occurs. Long-term detentions for primary students are served for 30-minutes after school (3:10 – 3:40 p.m.) on the day after the infraction occurs.

For students in grades 4th – 8th, short-term detentions are held for 30 minutes after school (3:10 – 3:40 p.m.) on the day after the infraction occurs. Long-term detentions are served after school for 60-minutes (3:10 – 4:10 p.m.) on the day after the infraction occurs or may be served after school for two successive day in 30-minute sessions (3:10 – 3:40 p.m.). Parents receive written notification on the student's demerit card and are required to sign the student's demerit card to indicate awareness of the assigned detention and return it to school the next day. Students in detention may be required to write an explanation for the situation in which the detention was assigned describing how they could have handled the situation in a more appropriate manner. Students who fail to serve any of a detention will receive additional time to be served. Students who miss several detentions will have additional disciplinary obligations.

Parent Conference A parent/guardian conference is a meeting between school personnel and the parent/guardian of the student who is experiencing behavior problems. Failure of a parent/guardian to attend a scheduled conference without an acceptable excuse may result in additional disciplinary measures.

Disciplinary Written Assignment The Disciplinary Written Assignment is a writing assignment. The topic and extent of the essay will be determined by the administration. Spelling, grammar, and age-appropriate quality of work will be graded; insufficient work will be returned to the student for revision. The administration will determine when the assignment is satisfactorily completed.

Saturday School Saturday School will be assigned by the Principal for more serious or repeated disregard for school rules. Saturday School sessions will be held from 9:00 a.m. to 11:00 a.m. Saturday mornings. If a child is unable to attend Saturday School, it is the responsibility of the parent to notify the school office 24 hours in advance (by 9:00 a.m. Friday) so that another date can be arranged. Extracurricular activities and sport practices or competitions are NOT valid excuses. Non-attendance to a Saturday School will result in severe disciplinary actions.

Behavior Intervention Team A conference with a team of teachers can be convened in a case when a student repeatedly shows disregard for the rules of St. Thomas More Catholic School, despite disciplinary action. The team will be made up of teachers, the Principal, and possibly the Pastor and Executive Director. Creation of a Behavior Contract may be implemented at this time.

Behavior Contract Once the student and parents meet with the Principal and or / Intervention Team, he/she will enter into a Behavior Contract with the school. The Behavior Contract will detail the acceptable behaviors for the student and the outcomes expected of him/her. Students who breach the Behavior Contract will be reviewed by the Principal and or / Intervention Team for possible expulsion or withdrawal of the student from St. Thomas More Catholic School.

Suspension Suspension is the temporary exclusion of a student from school and school activities. Parents are notified prior to the suspension. The length of the suspension will be determined by the principal and may vary depending on the circumstances. Suspensions may be imposed for periods of time when the student's presence in the school presents a danger to himself/herself or others and/or until all the facts can be ascertained.

The following procedures may be followed for suspension:

1. The student will be removed from the situation and taken to the Principal.
2. The Principal will investigate by discussing the circumstances and situation with person(s) making the complaint of misbehavior and the student accused of the misbehavior.
3. If suspension is necessary, the parent/guardian will be notified by the Principal to the reason(s) for the suspension, the length of the suspension and the conditions for returning to class. The student will be expected to complete all missed schoolwork and may be responsible for writing a Disciplinary Written Assignment.

2. The decision to suspend a student, in-school or out-of-school, is the sole responsibility of the Principal. Notification of the Executive Director may be provided.

In-School Suspension (I.S.S.) Students in I.S.S. will report to the school office, and will be isolated from his/ her peers for the duration of the suspension, most often completing school work in the library. While in I.S.S. the student will be responsible for all class work missed, and may need to write a Disciplinary Action Assignment. While in I.S.S., the student may lose their privilege to participate in school-sponsored extracurricular activities.

Out-of-School Suspension (OSS) Students in O.S.S. are not allowed to attend school or any school related activities during the time they are in suspension. He/She is still expected to complete all assign classwork which must be turned in when they return to school.

Expulsion Expulsion is the permanent exclusion of a student from the school and school activities. The decision to expel a student rests with the Principal and Executive Director. In many circumstances, documentation of preliminary attempts to help a student redirect inappropriate behavior will be on file, and the parent will have been notified of the disciplinary actions that might result, although this is not mandatory. The decision to expel a student should not come as a surprise to anyone involved, unless the actions were so severe that the student received immediate expulsion. (Possession of drugs or weapons, committing or threatening a criminal act, extreme disrespect, etc).

1. Upon expulsion, the student's parent/guardian will be notified in writing of the measure being taken, the reasons for the expulsion, and their right to appeal.
2. The expulsion may be reconsidered by the Principal and Executive Director when an appeal for a special hearing is made by the parent. Any appeal must be submitted in writing to the principal within 72 hours of notification of the expulsion. Appeals are to be heard by the Principal and Executive Director.

Academic Integrity Essential to the mission of St. Thomas More Catholic School is the teaching of character traits throughout our curriculum and activities. Character is moral strength. Integrity is the firm adherence to a code of moral values. Honesty is the uprightness of character or action implying a refusal to lie, steal, or deceive in any way. It is impossible to build community when deceit is involved.

Academic Integrity Looks Like:

- Students doing their own homework,
- Students turning in tests that reflect their ability and effort,
- Accepting responsibility for NOT studying or poor organization of time,
- Respecting yourself and your God enough to represent you and your work honestly.

Academic Integrity Does Not Look Like:

- Obtaining a grade dishonestly,
- Obtaining the school work of another,
- Misrepresentation of work,
- Abuse of confidence,
- Perversion of truth,
- Providing information in the form of answers for other students.

Sufficient evidence by a teacher of a lack of academic integrity on the part of a student causes a loss of trust and a tainted reputation. In addition to the consequences below, the student may be allowed to repeat the work or retake a different version of a test or quiz.

1st Offense – 1-2 demerits and possible detention

2nd Offense – 1-2 day suspension

3rd Offense – 3-5 day suspension or possible expulsion

Technology At times teachers will instruct students to research on the Internet. Students' access to the Internet will be limited solely to those websites that will facilitate their search for identified information as directed by the teacher. The Student Technology and Internet Agreement will be provided for parents and students to sign. The computer teacher will be discussing this agreement statement with all students using the computer to insure their compliance with this policy.

Parents will be notified.

Substance Abuse When there is a question of chemical substance (drugs, alcohol, and inhalants) misuse or medication misuse or overdose, the principal and involved teachers will work with the student and the family toward bringing about a complete recovery and elimination of the drug abuse of the student involved. It is the St. Thomas More Catholic School's moral and legal obligation to act in accordance with all laws, and in the best interest of the student(s) involved. Therefore, the following guidelines will apply:

- 1) Any case involving the selling or distribution of illegal drugs will be turned over to the police for investigation and they will determine if prosecution is warranted.
- 2) Any case involving the possession or misuse of drugs or alcohol on the school premises or at school-sponsored activities will be reported to the principal.
- 3) The parents or guardians will be notified immediately and requested to come to the school.
- 4) After a conference with the parents or guardians and student, the disciplinary action, ranging from a five-day suspension to immediate expulsion will be decided.
- 5) During the time of the suspension, it will be required that the parent or guardian enroll in some type of family therapy with the student.
- 6) At the completion of the suspension, the student will return to school with a contract to continue therapy until the therapist releases the student (family).
- 7) If the existing contract is not honored, or there is a recurring offense, immediate expulsion will be warranted.
- 8) Harassment or interference with witnesses could also result in expulsion.
- 9) The student and/or family may appeal these disciplinary actions in writing to the principal or the pastor.
- 10) After meeting with the family and reaching a consensus, the Executive Director's and principal's decision is final

Section VIII--- Health and Safety

School Nurse St. Thomas More Catholic School contracts with the *Visiting Nurses Association* for a school nurse. The nurse is responsible for maintaining student health records, state health reporting, and staff training. The nurse is on-site a designated number of hours per year. Additionally the school contracts with Creighton University School of Nursing to conduct student health screenings.

School Counselor St. Thomas More Catholic School contracts with other Catholic schools to provide a part-time school counselor. The counselor is available for classroom visitation, to consult with teachers, and to see students individually. A student can be referred to the counselor by a parent, teacher or Principal, or the student may initiate the contact. Each family is asked to sign a permission form that will allow a student to see the counselor. This form is provided in the Registration folder and available in the School Office. The counselor will only see a student individually if there is a signed permission form on record for that year. The counselor will contact the parent if he/she thinks that the child should be referred to an outside agency for further counseling. The counselor can provide parents information that may be helpful to their child's development, and lists of appropriate community agencies and resources. The counselor may come into classrooms to teach all students, working together with classroom teachers to deliver curriculum in the areas of academic and career planning, as well as personal and social skills development.

Child Protective Services When there is reasonable cause to believe that Child Abuse/Neglect has or will occur the state law mandates a referral to the authorities. In this case, a verbal report needs to be provided to either Child Protective Services (CPS) or to our local Law Enforcement agency. Keep in mind that if the child has physical indications/injuries or there are immediate safety issues, law enforcement (not CPS) has the authority to take immediate protective custody if necessary. The state and the Catholic School Office mandates that schools cooperate with CPS and law enforcement personnel in order to conduct their investigations.

By state statute 28-710 the child abuse mandatory reporting provisions define abuse or neglect as knowingly, intentionally, or negligently causing or permitting a minor child to be:

1. Placed in a situation that endangers his or her life or physical or mental health;
2. Cruelly confined or cruelly punished;
3. Deprived of necessary food, clothing, shelter, or care;
4. Left unattended in a motor vehicle if such minor child is six years of age or younger;
5. Sexually exploited by allowing, encouraging, or forcing such person to solicit for or engage in prostitution, debauchery, public indecency, or obscene or pornographic photography, films or depictions.

Immunizations & Physical Exams Parents are required to ensure that their student complies with the Nebraska School Immunization Rules and Regulations **before they can be allowed to attend classes**. Exception to the immunization requirement is made only if a medical reason is documented by a physician assistant or nurse practitioner or for valid religious objections as determined by the principal. Before attending classes or at registration, the school must obtain the student's birth date, social security number, and immunization history. Students who are not in compliance with the immunization requirement or have not provided a qualified waiver, may not attend St. Thomas More School until they have complied with the immunization policy. The 2017 - 2018 Nebraska School Immunization Rules and Regulations require students to have the following immunizations **before attending classes**:

Preschool

- 3 doses of Polio vaccine

- 3 doses of pediatric Hepatitis B vaccine
- 1 dose of MMR or MMRV given on or after 12 months of age
- 1 dose of varicella (chickenpox) or MMRV given on or after 12 months of age. Written documentation (including year) of varicella disease from parent, guardian, or health care provider will be accepted.

- 2 doses of MMR or MMRV vaccine, given on or after 12 months of age and separated by at least one month,
- 2 doses of varicella (chickenpox) or MMRV given on or after 12 months of age. Written documentation (including year) of varicella disease from parent, guardian, or health care provider will be accepted. If the child has had varicella disease, they do not need any varicella shots.

Additionally for 7th grade only

- 1 dose of Tdap (must contain Petussis booster).

Head Injury A report will be made and parents contacted when their student receives a head injury. The report will contain a list of symptoms associated with head injury. Parents will be encouraged to contact their doctor if the student displays any of those symptoms.

Communicable Diseases Evaluation of each situation involving a student with a communicable disease will be on a case-by-case basis. In the cases of some diseases, state law will be applicable. In cases in which blood borne pathogens are possible, the emergency response procedures provided by the Catholic Mutual Group will be followed. Based upon information on Contagious and Infection Diseases from the Visiting Nurses Association, made effective 12/10/98, Title 173, Chapter 3 states criteria for minimum isolation and control measures for specific diseases. Since the incubation period, symptoms of illness, and infection periods are unique to each disease, appropriate responses to infections vary. St. Thomas More Catholic School will follow these guidelines.

Medications Parents who need to have their student take a prescribed medication during school hours must send a written, signed, and dated permission statement from a physician, along with the medication, clearly marked, and in its original container (including inhalers). The medication will be kept in the school office unless it is required to be administered to the child. **It is the parent's responsibility to provide medicine that is in date.** Students are not allowed to self-administer medications.

School policy dictates that no student is to be given any medication without a written order from a physician. This includes aspirin, acetaminophen or any other type of pain reliever. The school cannot provide any medication, including pain relievers or cough medication, for students. If a student needs to take cough drops, a note from the parent must be sent to school for the classroom teacher. The cough drops must be turned over to the classroom teacher for dispensing as needed.

Asthma In addition to an inhaler, students who suffer from asthma must have an asthma action plan that has been updated at least annually on file in the office. Designated school personnel have been trained to implement the Emergency Response to Life-Threatening Asthma or Systematic Allergic Reactions (Anaphylaxis) protocol mandated by the Nebraska Board of Education in Rule 59. Trained responders will be available to provide an EpiPen injection and Albuterol nebulizer treatments to any student or school employee should an emergency arise in the school building or grounds while school is in session.

Tobacco Policy St. Thomas More Catholic School building is a tobacco-free building in accordance with the Nebraska Clean Indoor Air Act (1979—LB3440). There are no designated smoking or tobacco use areas inside the building.

Fire and Disaster Drills In order to insure the safety of the students, plans have been developed in case of either a fire or tornado emergency. These plans are practiced periodically throughout the year to be sure that the students are aware of the procedures.

The tornado shelters have been inspected and approved by the Omaha/Douglas County Office of Civil Defense to be sure that they are safe for the students. In case of a tornado warning that extends beyond the school day, students will remain at school until the warning expires or a parent collects them.

Asbestos Notice Our building materials contain asbestos. There is no danger to anyone as long as the material is not disturbed. Parents may view our state approved management plan by sending a written request to the school office.

Cooperation with Law Enforcement In cooperating with Law Enforcement Personnel or other Governmental Agents requesting access to students, St Thomas More administrators will grant such access in accord with the expressed wishes of the student's parents or legal guardian whenever possible while respecting the authority and directives of Law Enforcement Personnel. Exceptions to parental wishes must be made in the case of warrants for arrest, police investigations of alleged crimes, and in the case of suspected child abuse as defined in Nebraska statutes. Step by step procedures for these occasions are contained in the Catholic School Office with guidelines established by the Archdiocese of Omaha.

Safety and Security School staff work to insure the safety and security of our students during school hours whether they are in the school building or on the grounds. One of the procedures followed is to keep all doors to the school building locked during school hours and by having all visitors check in with the school office upon entering the building. All visitors are asked to come to the main entrance and ring the buzzer which is located along the south wall of the entrance area. Visitors will be admitted to the school office after a visual review of the person on security camera. Many cameras are located near all entrances/exits and inside the school building for added security. On occasion there may a function at school that will require one of the main doors to be unlocked. During these times additional measures will be activated to ensure the safety of students.

Safety Plan In the event of a school emergency, the school will initiate our Safety Plan to insure the safety and security of the students and staff. A manual has been written and updated to provide procedures for a number of possible emergency scenarios that could occur in the school building and surrounding areas. These plans specify designated people, who will be called upon to assume roles of responsibility, and designated off-site evacuation locations. The manual does not cover every possible development; therefore, it may not always be in the safety interest of the students and staff to follow every procedural step. The Plan is a guide to follow that allows for rational judgment by those who assume the roles of responsibility at the time of each emergency.
